AQUINO, JIMMY J.

ABOUT ME

I am a 22-year-old finished a Bachelor degree Information Technology from Asia Technological School of Science and Arts Santa Rosa, Laguna, with hands-on experience in both frontend and backend web development. I am passionate about building efficient, user-friendly web applications and eager to grow my skills further in a dynamic and innovative environment. While I have foundational knowledge in data analytics, my primary focus is web development, and I am highly motivated to contribute and learn within your organization.
